### TOTAL VOTE REGISTERED.

The Board Concluded Its Labors  
Last Night at 10 O'clock.

When the registration board closed last night at 10 o'clock the total number registered was 5,889. The number registered yesterday was 239. Although no accurate count has been kept on the score of nationality, it is said by those who have kept close watch that there will be about 3,700 Hawaiian voters to 2,189 of other nationalities.

The last person to apply for registration was refused. He was a carpenter who had been on a visit to San Francisco this summer and in the judgment of the board had lost his residence.

### It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation of the remedy." The remedy owes its great popularity and extensive sale in a large measure to the personal recommendations of people who have been cured by its use. It is for sale by Benson, Smith & Co., general agents, Territory of Hawaii.
